

QUALITY CABIN SHELLS

Our cabin shells are a great option that allows you to finish out the interior on your own, using your talents, but saves on the hard stuff - the framing and exterior - so you can go right into your DIY finish out project. Cabin shells are available on any of our models, with the exception of our RVIA Park models. Possibilities are endless with your own finish out options.

- ✓ 1-5 Bedroom Options ✓ 216 to 2700 square foot shell options
- ✓ Electrical rough in available in some states ✓ Lofted options with our Trophy Peak Shells
- ✓ Sub Floor insulation included ✓ Interior wall frame out available
