

New Cabin Warranty

OUR PROMISE TO YOU

With more than 30 years of cabin building experience our Cabins are built on a tradition of quality workmanship. Our commitment to you continues throughout your home ownership.

ONE YEAR

Home

This warranty covers your cabin from the date of delivery. Components include your HVAC systems, water heater, appliances and more. It is provided through American Home Shield.

TEN YEAR

Structural

This warranty covers the designated load bearing elements of our home such as the foundation skid system, floor framing system, load bearing walls, and roof framing.

MANUFACTURER WARRANTIES

Many parts of your cabin are backed by a separate manufacturer's warranty. These include your flooring, A/C system, faucets, roofing materials, siding and more. Claims should be made through the manufacturer's warranty program.

All cabins go through our 131 point inspection process, providing you confidence in your new home.
